EVALUATION OF APPLICATIONS

- (1) The University is free to evaluate the applications made and to fill the quotas announced.
- (2) Meeting the application conditions does not require acceptance for placement.
- (3) The relevant special talent exam jury evaluates the candidates who apply to the programs that accept students with the Special Talent Exam.
- (4) A Foreign Student Admission and Placement Committee is established for the purpose of evaluating the applications and making the placements. When selecting international students for each department or program for which a quota is opened, the Commission selects the students with the highest scores among the students who meet the application requirements, according to the priority of the exams included in the Exams and Methods Table (Table 1) in the Application for International Students at Associate Degree and Undergraduate Level. In case of equality in the ranking, placement is made in favor of the diploma grade and junior age, respectively.
- (5) For applications to be made with TR-YÖS, at least 400 points will be required for the Faculty of Dentistry, at least 300 for applications to other faculties and colleges, and at least 200 points for applications to vocational schools.
- (6) Among the programs that do not have a quota for the Higher Education Institutions Exam and cannot admit students, those who are allowed to admit international students by YÖK may not place a

commission in the programs preferred by a small number of candidates.

(7) If the information and documents declared during the application are incomplete, incorrect or fake, the registration of the candidates is canceled by the decision of the commission, even if they have registered. Legal action will be taken against them.
