### THE SIGNIFICANCE OF THE PROJECT

An educational module for university students will be developed for the first time in order to keep the social, cultural, moral, humanitarian and ethical values of Hacı Bektaş Veli, an important cultural heritage of our society, and his practices alive and transfer them to future generations.

Furthermore, Hacı Bektaş Veli Values Education Platform will be prepared so that the developed training can be accessed digitally and disseminated in the society.

## “ THE IMPACT OF THE PROJECT ON REGIONAL DEVELOPMENT ”

Within the scope of this project, the teachings and practices of Hacı Bektaş Veli, an important cultural heritage of the Cappadocia region, regarding the social, cultural, moral, humanitarian, and ethical values of society will be examined, and a Hacı Bektaş Veli Values Education Platform will be established for university students.

The results obtained from the project's outputs will facilitate the promotion of Hacı Bektaş Veli's value system, one of the prominent figures in our country in terms of values education, both nationally and internationally.

## “ THE OUTCOMES OF THE PROJECT ”

- ▶ Identifying the educational needs of university students regarding the social, cultural, moral, humanitarian, and ethical values of society
- ▶ Examining the teachings and practices of Hacı Bektaş Veli, an important cultural heritage of Nevşehir province, related to these social, cultural, moral, humanitarian, and ethical values
- ▶ Creating an educational program based on the value system of Hacı Bektaş Veli within the framework of the identified needs
- ▶ Contributing to future studies related to other important personalities of our country such as Celaleddin Rumi, Yunus Emre, Hacı Bayram Veli, Ahi Evran, who are role models in terms of values education, and other cultural heritage projects to be carried out in the field of Hacı Bektaş Studies
